

Gortemoller Engineering, Inc.

Land Development • Infrastructure • Transportation

Description of Project

Providing design services as a sub-consultant for DHM for Resurfacing, Rehabilitation, and Restoration of SR 85 from Richbourg Ave. to General Bond Blvd., Shalimar, Okaloosa County, Florida. GE provided Lighting and Signalization Designs for the intersections of SR 85 at Richbourg Ave./12th Street and Lewis Turner Blvd. (SR 189). Project highlights include the upgrade of the signal support system from span wire to mast arms at Lewis Turner Blvd. (SR 198) for the 3.0-mile project.

SR 85

Resurfacing, Rehabilitation, & Restoration
SR 85 Richbourg Ave to Gen. Bond Blvd
Okaloosa County, FL
