

Gortemoller Engineering, Inc.

Land Development • Infrastructure • Transportation

Description of Project

GE provided professional engineering services for the design of an approximately .75-mile 8' Multi-Use Path along the north side of Magnolia Beach Road from Delwood Beach Road to Annette Avenue. This Multi-Use Path was designed to connect to the existing Multi-Use Path on the south side of Magnolia Beach Road at Anette Avenue. The project included drainage improvements, compliancy with FDOT requirements and emphasis on ADA requirements, as well as Sign and Pavement Markings Design as warranted for the Multi-Use Path/Sidewalk.

Construction Cost: \$652,266 (est.)

Magnolia Beach Road *Multi-Use Path from Delwood Beach Road to Annette Avenue* Panama City Beach, Florida
